SO SULTRY, SO DEPRAVED

Dear FOX: I am outright smitten with that Ash Hollywood. Any woman can take two cocks at a time if she sets her mind to it, but it takes an extra special dame to look sexy as hell while she's doing it. I am not gay. That bears repeating, I AM NOT GAY. This means that I don't particularly like to see some other bozo's schlong in or around the pussy I am spanking it to. However, that Ash Hollywood is such a sexy piece of tail that I managed to keep hard despite the fact that not only one but two random schlongs were taking her down! This is a triumph, let me tell you. And it's all thanks to Ash's tight, fuckable little body that I think I could look at forever and ever

without getting sick of it. And her face! How does a female manage to look so sultry and so depraved at the very same time! It looked like it was a piece of cock-shaped cake for her to handle both those woodsmen at once yet she didn't ever look outright slutty about it. I tell you what, that is my kind of woman. —L.T. via email in TN

A LIFE OF XXX SERVITUDE

Dear FOX Magazine: The last issue I saw of yours featured a pictorial spread of a nasty little angel by the name of Cassie Laine. I would like to know more about her. For instance, does she prefer anal or vaginal intercourse? Does she moan or does she scream when she is cumming? Would she like me to

dedicate my life in servitude of her, to be her very own personal cunt eating slave who would be at her beck and call any hour of the day or night in any location? I would suck on her sweet, angelic cunt lips with reckless abandon, tonguing her clit and sticking my fingers deep into the innermost warm heart of her honey hole in order to send her straight to heaven. Would she like that? I think she would. Please pass along my information to her, I am available immediately. —Ryan in FL

SERIOUS GUMBY SKILLS

Dear FOX: I would really like to see Mia Malkova from your November issue get gangbanged by no fewer than six dudes and put her gumby skills to

the test. If her legs can stretch like that, imagine what her pussy can do. I've been imagining it myself ever since I saw those pics of her flaunting her snatch in that itsy bitsy blue polka dot bikini. Now I know these things can be expensive, these photo shoots. Especially if you have to hire a lot of talent. So a six dude gangbang set can be a pretty pricey thing to undertake. But I will tell you what I am willing to do, just because I love *FOX* so much and I want to see you continue to print the hottest, dirtiest, most boner inducingest photos in the entire jack rag industry. I will volunteer my time and services as one of the six to gang hump darling Mia Malkova, FOR FREE, meaning you will only have to hire five dudes and thus you will be saving some valuable dollars. Whaddya think?—*Ronnie in RI via email*

A GUILTY LUBED CONSCIENCE

Dear *FOX*: Sometimes I feel guilty for loving your magazine so much. I'm not going to go so far as to say that I'm addicted to it, but I do look at it every single day, sometimes twice a day. OK, to be fair, I always look at it at least three times a day but I don't always pull my pud—it depends on how much time I have. I like to keep a few old issues locked in my desk at work. I work in a depressing office in a depressing cubicle and sometimes sneaking a *FOX*

to the bathroom for a few minutes is the only thing that gets me through until five o'clock when I can go home and leisurely pore over my favorite photos and stroke my cock with some of the lotion I buy in bulk at Sam's Club. Masturbating is the best thing in the world, even better than a girlfriend because your own hand won't ever tell you it has a headache or max out your credit cards and disappear without a trace.—*C.J.Q. in CO*

CHICKS DIG FOX TOO!

Dear *FOX*: While I am sure that the majority of your readers are men, I just wanted to write in to say that girls dig *FOX*, too! I am a porn fanatic, something that every boyfriend I've ever had has appreciated very much. What weirs some of them out, though, is exactly how much I heart porn. My appetite for smut is never sated and I can't get turned on without it (no matter how fabulous of a pussy lick my partner is.) I don't know if that's strange or not, but I am quite comfortable with who I am and my fondness for porn and whoever doesn't like it can go chow a bag of dicks. (Believe it or not I am often single.) But I wanted to share a few of my favorite porno babes to pat my bunny to with some of your other horndog readers:

1. Tara Lynn Foxx (those lips! Both sets!)

2. Bonnie Rotten (the bad bitch of my wettest dreams!)
3. Brooklyn Lee (yes, please!)
4. Asa Akira (idk if I want to bang her or buy her a beer!)
5. Jesse Andrews (she's such an innocent-looking whore!)

And those are just my Top 5. Hey, other *FOX* Magazine fans, who are your Top 5? Let's compare notes.—*Meaghan in Toronto via email*

A PEEK AT THEIR PRIVATES

Dear *FOX* Magazine: Do any of these porn actresses keep diaries? God, what I wouldn't give to take a peek inside their privates, I mean their private thoughts. I am sure a few of them must journal or something, it seems to be such a popular pastime these days. If I did ever get my hands on some porn chick's diary, I would totally skip ahead to the good parts. I don't have much use for knowing a chick's feelings and stuff, unless they specifically pertain to getting laid. Like, I'd like to know how to lay better although I'm pretty fucking great as is. Or so my girlfriend tells me. But I can never be sure if she's lying or not. Chicks can be so tricky. Maybe my girlfriend keeps a diary.—*Jon in OR* 🐰

Radiant in a tiara and tulle, Dani Daniels looks as if she's just landed the starring role in a one-night-only performance of Schlong Lake. She gives her plush muff a final fluff and whispers, "it's ho time," before focusing her dirtiest, undivided attention upon Erik, her manscaped meatpacking partner for the horizontal mambo. Dani drops to her knees and sucks him hard, then lies back, spreads her legs and beckons him to swan dive into the pink magnificence of her cunt. When they start to rut, Erik uses slow, deliberate strokes that cause Dani to shiver and squirm and really feel every inch of his shaft, from balls to tip and back again. As Dani's sighs turn into orgasmic shrieks, Erik picks up the pace until he is pistoning in and out of her sopping wet hole with a sweaty frenzy. Suddenly he pulls out to thrust the swollen head of his throbbing fuck stick into Dani's sweet mouth where he busts a thick, steaming nut. Dani smiles, jizz trickling down onto her chest as the tiara twinkles atop her head. 🐱

DIRECTOR
IVAN

SLUT 'N' PUPPET
VANESSA CAGE, TONY MARTINEZ

PIXXX & ARTICLE BY JEFF HUBRIS

The romance, or at least the main episode of it, will take place on and around a well-fucked-on pool table that has served many utilitarian functions besides its intended one in this shag-worn porn shoot house, the setting for a nice sexual interlude between shining good girl Vanessa Cage and Tony Martinez. It's content for her PUBA Network website without the onerous need for a phony context set-up and should be a cinch.

"The storyline is just to get through it so we can all go home!" says PUBA main man Ivan, a very capable producer of creative, effect-heavy porn scenes who has no qualms about cutting away all tinsel when necessary.

I am at this location (as I have been for many years of porn set journalism) using the multi-purpose pool table to set my camera on while I hang out with the supremely blonde Vanessa. I'm a fan of girls who look like the offspring of long-boned, fair-skinned Viking supermodels, and that being said, since my initial contact with her a few years ago, I have always been of the opinion that Vanessa Cage is hot as fuck.

"I'm not a little girl anymore," she says mournfully. "I'm almost 23! I got old believe it or not, and my butt got bigger!"

After taking eight months off, a more reflective and discreet Vanessa Cage has emerged. At this relatively early porn juncture, maturity is setting in.

"I feel like I'm getting a little bit older and my body is craving intimacy versus just getting fucked all the time," she confesses.

With the porn meat grinder moving ever faster, newbies phonily adopting slutdom as a lifestyle to justify easy porn money are realized as the poseurs they are. These kids today have it too easy, god-dammit!

"Porn is now the cool thing to do," she says bluntly. "I got so much shit for doing porn when I first started. I was a slut in high school. I didn't just get into porno and think, like, *Wow, I'll start being a slut now.* I had been a slut all the time!"

"We'll start with you bent over," Ivan says to Vanessa, laying out a scenario involving a pool contest with a sexual payoff for the winner.

"I want to say stuff," she breaks in. "It should go, like, *You beat me last game and if I beat you this game you have to get naked*. Then he says, *If I win you have to give me a blowjob*. I'm like, *Fine*. Then I knock the black ball into the hole!"

Done! Porn Pool Sex Scenario #3487698 is in place. The bangout is justified. Let's nail this fucker.

Vanessa kneels for the BJ on Tony and then takes a seat on the edge of the pool table for the insert. There's a lengthy open mish fuck and then she switches over to dog position with one foot resting on the head rail for leverage.

VANESSA CAGE: I stopped doing this for like eight months. I just got sick and tired of the uphill battle which you can't win of constantly getting VD and you take the pills to get rid of it and get a yeast infection. So many people are just not hygienic and I got so sick of constantly having to deal with that. I got back from AVN last year and I was shooting a decent amount. I came back from Vegas and did a scene and I got the gnarly is to use the function and the guy was a total piece of shit asshole and I was like, you know what? I'm fucking done. It's not worth it to me anymore and I'm so over it. I was so much happier. I did things here and there. It was just nice to forget it all and step away. I shot a couple fetish things and maybe a girl/girl scene here and there and other than that I just worked out and went to Vegas and partied a lot. Maybe a little too much. I figured I'd been doing it for a long time so I took a break and I was so happy that I did. I started back a little while ago. ...When I started doing dudes the first thing people would ask is, okay who's your boyfriend? And the whole time I stopped doing dudes I didn't have one. Not many dudes can handle me because I'm one of the guys and I guess a guy likes to chase, like, a crazy girl and I'm not crazy. I'm not going to flip out on you and show up at your house unannounced. I don't know, all of these crazy girls get boyfriends but I couldn't get a boyfriend if my life depended on it. But I might be dating someone soon. ...There was one girl who I think went to my same school or was maybe younger who started doing porn now and I'm just like, porn is not what it used to be. There are so many new girls and you don't have to be cute to do porn anymore. Once upon a time you had to be good-looking to do porn! These new girls are like, *I'm a porn star!* And I'm like, *Sweetheart, you've done three scenes. You're not a star.* I wouldn't even go around saying that I'm a porn star. Do I do porn? Yes. Am I maybe a star? No.

VANESSA: I really don't mess around with guys who are in the industry. In fact, if I start dating this one guy he will be the first like ever. I feel like a big part of it is with me getting intimate and liking someone who's normal who is not in the industry. They can't handle that whole thing, that it's just work and they don't understand that I don't hang out with these people, get their number and fuck them off camera. I come to work, I do my job and then I leave. ...On-camera sex and off-camera sex is completely different. I feel like with on camera you're putting on the show and your performing for the camera. You're positioning your body in different angles for the camera. When you're having sex at home off-camera you're not worried about anyone around you and you're not being showcased with all the lights. You're not making a movie, you're just having an intimate moment versus getting paid to have sex with that person. A lot of people I worked with, I would never in a million years have sex with them but because a paycheck is involved it's like, *Okay cool, that's who I'm working with today.* ...I probably won't do anal ever...maybe...who knows. I've done it in my personal life. ...I don't want to do porn for that much longer. I want to be a professional dom. I've always been a little bit dominant but I started shooting a little bit more fetish type stuff where you have to be dominant and I was always good at talking. I love beating the shit out of people. But only the people who want me to do it. As long as they're okay with it I will fuck their shit up. I've fucked guys in the ass, I've caned guys and I've whipped guys. It's awesome. Personally I would never date anybody I would dom because I don't find it attractive. People who I dom I think are pathetic, but it's fine to just dominate people, like, cum on my boots and lick it up. ...I didn't know I had a foot fetish and until I started porn. I love my feet being licked and worshiped and sucked. There are some dumb things I can be attracted to...someone who was worshiping my feet, but it can't go any further. Like if I'm spitting on them and yelling at them and kicking them in the balls? No.

Judging that reverse cowgirl would work out better on another surface, Ivan pulls up a chair and she sits on Tony Martinez, delivering a serious bangout. There's a short break and he chooses a blow-to-pop scenario. Vanessa assumes the time honored kneeling position and a load is soon delivered upon her upper extremities. This all worked very well.

Over the several years since its inception, the PUBA network has morphed from a work in progress into an actual porn website entity. Seasoned director Ivan is very experienced in this world, acting as cameraman, director, producer and porn psychologist to an ever growing roster of A-list (no, really) porn girl talent.

"Our sets are so cool and the girls have fun, so when girls from other networks shoot with us they're like, *Wow, you guys shoot cool stuff, give a shit and you guys return emails!*" he says. "We treat the girls as business partners and it's a 50-50 partnership. They have a say in every part of their website and also get DVD deals with the company so they can have DVDs to feature dance. They ask for 25 copies of their movie and we're like, *Here you go!* There's a lot going on. It's kind of exciting!" 🐱

Anyone that would choose to define Maddy O'Reilly based on her new role as the latest incarnation of Elegant Angel's "Slutwoman" doesn't really know anything about Maddy O'Reilly at all. Sure, she IS one of the filthiest sluts in the game today, no question. Maddy constantly pushes herself to new levels of debauchery for the viewing pleasure of all you dirty perverts out there. But to stop defining her there would leave out the other 99.99% of Maddy that makes her so awesome. Her enormous heart, her kindness, her infectious sense of humor, her delightful charm, and her undeniable intelligence are just a handful of the things that make up this amazing woman who has driven herself to the upper echelon of the adult industry. Her well over 80,000 Twitter followers can attest to that fact. Whether in front of the camera or behind the scenes, Maddy O'Reilly will be a major player in porn for a long time come

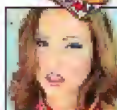

@Gabriel_Lan: You were recently named Elegant Angel's Slutwoman. What does it take to become Slutwoman? Is it anything akin to being a superhero?

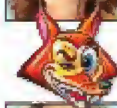

@MaddyOreillyxxx: It takes an extreme eagerness to want to be the biggest slut ever. Slutwoman IS a super hero! I save lives one slutty moment at a time.

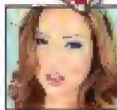

@Gabriel_Lan: If you were a superhero, what power(s) would you want to have?

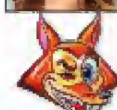

@MaddyOreillyxxx: That's easy, X-RAY vision.

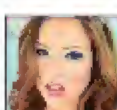

@Gabriel_Lan: From everything I know about you, I probably don't even need to ask, but...would you use your powers for good or evil?

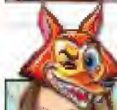

@MaddyOreillyxxx: LoL The good kind of evil :)

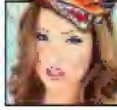

@Gabriel_Lan: Slutwoman presented a couple of firsts for you: first DP and first double vag. Which was more difficult? Which was scarier thinking about LoL? Which one did you enjoy the most?

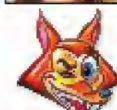

@MaddyOreillyxxx: The DP was easier, but that was the one I was most nervous about trying. I enjoyed both of them (literally lol) but the DP was my favorite.

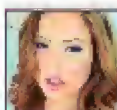

@Gabriel_Lan: Had you ever had any practice with either off screen?

@MaddyOreillyxxx: No, I wanted it to be a true first.

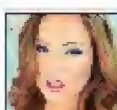

@Gabriel_Lan: Would you say you are more submissive or dominant by nature? Does that change at all depending on whether you are with a man or a woman?

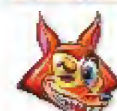

@MaddyOreillyxxx: I am definitely submissive. It doesn't change no matter who I'm with.

@Gabriel_Lan: I'm not saying this in a bad way, but has your ass gotten a little bigger lately? LoL are you doing this intentionally via a different workout or is it something else?

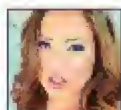

@MaddyOreillyxxx: Well, I gained weight which ended up being awesome for the booty. I also do a lot of steps with my pups.

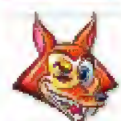

@Gabriel_Lan: Your ass is getting a lot of attention these days. When did you discover that you enjoyed having it filled with cock? How much decision making went into you now doing anal on camera?

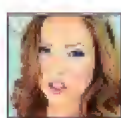

@MaddyOreillyxxx: I have always enjoyed ass play, but I hadn't had very much anal sex at all before doing it on camera. When the opportunity came though, I knew I was ready.

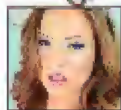

@Gabriel_Lan: You also made your directorial debut recently. What was that experience like? How did that opportunity come about?

@MaddyOreillyxxx: It's pretty surreal to see certain fantasies that you think of come to life on camera. Jim & Mimefreak at Elegant Angel offered me the opportunity when they met with Spiegs and I to tell me I was going to be Slutwoman.

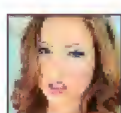

@Gabriel_Lan: It was amazing, obtw...Is that something you'd like to continue doing in the future?

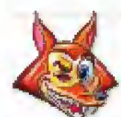

@MaddyOreillyxxx: Yes! I actually have my next movie about to release :)

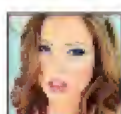

@Gabriel_Lan: Unlike most girls in the industry, you don't really have an Amazon Wish List. Instead, you ask fans to donate to the Humane Society, right? Have you done other things or been involved in things for them in any other way?

@MaddyOreillyxxx: I don't have a Wish List at all. If I'm going to beg my fans for things, it's going to be for a greater cause than a new pair of shoes. Back in North Carolina, I helped dismantle one of the last gas chambers around. I don't have as much time here in L.A., so I help out by getting their "wish list" and donating items that are needed.

@Gabriel_Lan: Do you have pets? Did you always have pets growing up?

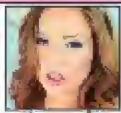

@MaddyOreillyxxx: I have two dogs. I've always had pets growing up, so that probably has something to do with me being a crazy animal lady.

@Gabriel_Lan: Are both your dogs shelter dogs?

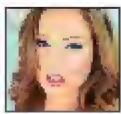

@MaddyOreillyxxx: Yes, both of my dogs are shelter dogs. Kaya we rescued at 9 weeks, and Jonesy at 6 ½ years old.

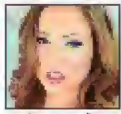

@Gabriel_Lan: You're originally from North Carolina, right? How often do you get back there?

@MaddyOreillyxxx: If family isn't coming here, I go back as often as possible. Right now, it's their turn to come here.

@Gabriel_Lan: Does being from NC automatically make you a basketball fan? LoL there are what, 4 schools within shouting distance of each other on Tobacco Road?

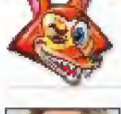

@MaddyOreillyxxx: LoL Noooo!!! I only watch basketball because of friends.

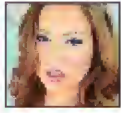

@Gabriel_Lan: If you were a basketball fan...Blue Devils or Tar Heels? Or one of the other options like Wake Forest or NC State?

@MaddyOreillyxxx: LoL If I HAD to pick, it would be Duke.

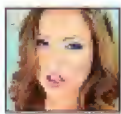

@Gabriel_Lan: Since I know you love them, debunk a myth for us and answer this: Are oysters an aphrodisiac?

@MaddyOreillyxxx: Though a recent study says yes, I don't think so. Casanova used to have a ton for breakfast so I think it's a fun story to run with.

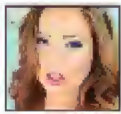

@Gabriel_Lan: Since I know you've thought about it, what do you think Justin Beiber's butt hole smells like? Do you dream of taking a strap-on to him as well?

@MaddyOreillyxxx: LoL I don't think I would ever want to actually fuck him. I feel like his butt hole would smell like candy, though.

@Gabriel_Lan: What do you think you'll do after porn? Ever thought about being a veterinarian? A much sexier Cesar Millan perhaps?

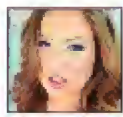

@MaddyOreillyxxx: There will never be an "after porn" for me. I'll always be involved with the industry in some way. After I'm no longer performing, I may take on a Cesar Millan type of position. I would really love doing something like that.

@Gabriel_Lan: After having danced in a Chumash Indian grand entry ceremony, what's the next thing you plan to mark off of your bucket list? Just how many things have you scratched off of it anyway?

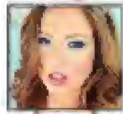

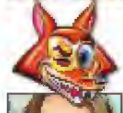

@MaddyOreillyxxx: Skydiving and a gangbang are next on the list. I'm lucky that with being in porn and living in L.A., I've gotten the chance to cross a lot off of my list.

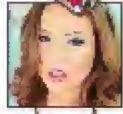

@Gabriel_Lan: Now that you are a self taught expert on Bitcoin, what do you plan to do with this knowledge?

@MaddyOreillyxxx: I plan to use it to deter me from ever getting involved in a money scam lol.

@Gabriel_Lan: Do you consider yourself very much of a dork or a nerd, obtw?

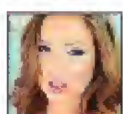

@MaddyOreillyxxx: I consider myself quirky.

@Gabriel_Lan: Does being from the South have anything to do with your predilection for turning the AC down to 66 or lower frequently?

@Gabriel_Lan: LoL *Note* I'm from the Deep South, so I assure you I could not live without it 9 months out of the year lol*

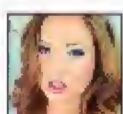

@MaddyOreillyxxx: Haha I think so. I freeze everyone out!!! lol I don't understand how some people leave windows open and go about their day to day activities just fine. I would die! lol

@Gabriel_Lan: Since you've pulled jokes on both your mom and Mark (Spiegler), are you much of a practical joker?

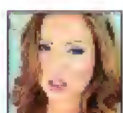

@Gabriel_Lan: LoL do you adhere to my own mottos of 'If you can't laugh at yourself, who can ya laugh at?' and 'If you can't take a joke, fuck ya?'

@MaddyOreillyxxx: LoL I am constantly researching new and innovative ways to prank people. So yeah, guess you could say I'm quite the prankster. No one is safe lol.

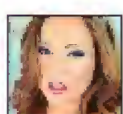

@Gabriel_Lan: LoL How many of your fellow Spiegler sisters have you gotten? What's your best/favorite prank to date?

@MaddyOreillyxxx: I haven't pulled any pranks on any fellow Spiegler Girls...yet ;-) As for my best one so far, I replaced someone's deodorant with cream cheese...and they used it. It was hilarious!

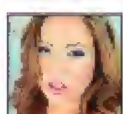

@Gabriel_Lan: What does a typical off day for you consist of? How about the "ideal" off day?

@MaddyOreillyxxx: Typical day off consists of lots of time with the pups, laundry, testing, nails, etc. The ideal day off would be spent at the beach with the pups and no cellphone.

@Gabriel_Lan: Let's say you were declared the leader of the free world. What's the first thing you would do?

@MaddyOreillyxxx: The first thing I would do would be selfish. I'd move my mother closer to me! It only makes sense. If I am running the world, what better way to do it then with family?

PRINCESS LEYA FALCON

Date of Birth March 03, 1988

Place of Birth I would like to say I was born on the Death Star because that would be super cool but no, I was born in Las Vegas, NV

Height 5 feet 6 inches

Weight 130 pounds

Measurements 34DD-25-40

Eye Color Blue with white around the edges and this black dot in the middle.

Hair Color Blonde. Very very blonde.

Shoe Size 10. Or 11 if the shoes I want even come in my size. I've got big ass feet.

Tattoos "Slave Leia" on my left calf; handcuffs on my right calf; my cat's name above my ass (may she rest in peace); Jack Skellington on my left shoulder; my daughter's name on my right shoulder; a broken heart on my right shoulder as well; a bleeding black rose and a spade on the back of my neck; one on my left arm I am in the process of removing and another on my ring finger that I am also trying to remove. If all else fails, I guess I could always cut off my left arm or wear an opera glove on one arm for the rest of my life.

First Scene My first scene was for Bang Bros. and it was with Mike Adriano.

Most Memorable Scene

To Date I have had a lot of memorable scenes but I would say the most memorable was the one I shot for leyaifalcon.com with my (now

ex) boyfriend because there was emotional attachment involved and it was literally the longest scene I have ever shot, including 40 minutes of butt sex. I let him go all in on me but I wasn't complaining!

Favorite Position On top of a hot woman's face and any position is fabulous with me as long as I have a giant black dick in me.

Turn-On Extremely rough and degrading sex. Hot women. Giant black dicks. Long hair on black men is great too.

Turn-Off Anything "intimate" during a scene with a man. This is porn...I don't want intimacy, I want a great and crazy fuck. Unhygienic people and people with a bad attitude suck. Oh and lube. I hate lube. That shit is gross feeling and tastes terrible. I only use it when absolutely necessary...like when I am trying to shove a toy the size of my thigh up my asshole.

Favorite Food I love Chipotle. Very much.

Favorite Movies Star Wars, The Nightmare Before Christmas

Favorite TV Shows Dr. Oz, Full House, Love & Hip Hop'

Favorite Book I like to read non-fictional books so anything I can learn from is my favorite.

Favorite Music Genre I like a little bit of everything but mainly old school rap and alternative.

Pet I have a black cat named Miss Yoda. She is adorable. I love cats.

Pastimes or Hobbies Working out, playing Just Dance on the Wii, painting, cooking, writing

Post-Porn Aspirations I don't plan on being "post porn" for a very, very long time. Though outside of porn I would love to write my own book and possibly do some work writing for a magazine. I love to write ALMOST as much as I love to fuck.....almost.

Summer Brielle is built exactly like a Barbie, except she has a warm, wet, pliant slit in between her perfect thighs instead of just a sad little mound made of plastic. With the silhouette of a goddess and the sex drive of a succubus, she almost seems too good to be true. She keeps that juicy peach of hers shaved so smooth it's actually more like a plum, without the faintest hint of fuzz for any inquiring fingers or tongues to find. The nectar inside is sweeter than that of any fruit to be found on this earth, placing Summer's cooch on the "must eat" list for foodies and sex addicts alike. A flirty smile plays upon those puffy DSLs as she reaches down to rub her clit. She makes herself nice and moist so the fat dildo she brought with her will slide in like silk. Summer arches her back and fucks herself, cumming with a throaty gasp. Sometimes even grownups like to play with dolls. 🐱

Both TINA and LAURA have all their lovable soft-features built right in. Even their hands are not detachable. All their sexual organs have been designed to be a smooth continuous flow of their soft, well rounded bodies that feel so real, you'll wonder how this was ever accomplished. Even her sensuous lips, and deep throat mouth, powered by air suction, can open and close gently, thanks to her newly designed soft face. And best of all, you can order direct from the manufacturer, and save about 1/2 of what you would normally pay through a local mail order house. Dress her the way you want your girl to dress. Your playgirl wears real clothes. Dress your doll to suit your mood. She'll be a lady, or a vixen. You decide.

DIRECTOR
JIM POWERS

SLUT 'N' PUPPET
KARMEN KARMA, RYAN DRILLER

PIXXX & ARTICLE BY JEFF HUBRIS

I've developed a Karmen Karma problem. Of all of the lovely women who have made the absolutely correct decision to express themselves through porn, there may be no more perfect person to vocation pairing. Being a fucking beer jock, rock fuck hippie cheesehead from the great snoid/serial killer mecca of Wisconsin, I have a weak spot for Midwestern sisters anyway and immediately acknowledge her as a homie from the wilds of Michigan's upper peninsula, light years from L.A. in every way. Super hardcore.

"All through high school I guess I had a major slutty reputation," she says righteously. "I had two boyfriends that were best friends, and they shared me back and forth, so we did a lot of threesomes. I've been doing it all I guess. I've been doing DPs forever just in my private life. I haven't even done one on camera yet, and I'm definitely not opposed to doing them on camera, but I'm working up to DPs, and it will happen soon. I just want to make sure that I don't get shot out too fast."

Recognizing a great sexual performance artist when he sees one, director Jim Powers is also a fan and has brought her in for this powerful yoga movie work, a project of grand scope and altruistic purpose.

The scary, groundbreaking, whore whispering Jim Powers of yesteryear has mellowed (or so it appears) into a new, more civilized porn artisan.

"When I was crowned the undisputed king of romance about a year and a half ago I just kind of naturally flowed into it" he explains. "I just completely turned over a new leaf! The whole company is based on romance and we make the most romantic, caring movies by far. Everything is very Zen-like and driven for the couples market. We believe that the internet is a fad so we have no presence there at all. We're making things that last and our movies are going out in velvet cases that will look good on bookshelves!"

Darkness settles upon the L.A. desert as Powers weaves a web of magic that will coax the desired levels of enchantment from Karmen Karma, who has already accomplished several yoga poses requiring decent flexibility, and her "partner" Ryan Driller. Powers tells her to start out standing in her skintight yoga pants, tuning into the universal vibe with some soul centering meditation.

"Then just do some stretching," he says calmly. "Basic stretching, nothing too sexy. In your mind you realize that the clothes are holding you back from being all you can be!"

For starters, in a display of gymnastic cock sucking prowess, Karmen delivers an upside down blowjob to Driller from the crab position.

"Nice deep throat!" Powers comments.

"I got that skill!" Karmen Karma answers confidently.

"Do the doggie," Powers says to Driller. "Then you can lift her up and strike a warrior pose and just hold her."

Karmen balances on one leg and bends her leg back far enough to suck on her own toes while Driller rails her cooch from behind. Full-tilt yoga sex is officially in effect.

KARMEN KARMA: I'm Italian and French. Spicy! I'm 22 years old and originally I'm from a really strict family in a really small town in upper Michigan. I had already picked out my porn name by the time I was fifteen. But there is no porn in Michigan. So as soon as I turned eighteen I moved to Florida and started stripping for a living. Then Burning Angel flew me to out to L.A., just about a year ago and four months ago. I knew I'd love doing porn, and went straight off to an agency. So here I am. ...If I'm the one being done, I want to be in a collar and leash. I'm a major sub. I actually have a puppy toy at home. I go fetch it and come back on my little collar, making dog sounds, I do the whole bit. I definitely like having an owner. And yeah, I like it rough. I like having to have my mouth open, getting slapped. I have no idea where that comes from, but I have always loved rough sex. My boyfriends in high school were too scared to do it, but I'm more experiencing it now. I'm such a dirty girl. ...When I watch porn, I love to watch the really crazy stuff, because that's the kind of sex that really gets me off. And that's probably because I do it for a living. I really love watching gangbangs, and I've done a blowbang, I just haven't done a gangbang yet. So far I've done so many more sexually wild things in my personal life than I've done on camera but I'm really looking forward to doing a lot. Like a one thousand-guy gangbang! Honestly, for real I would. The only real difference is just that a camera is there. Back in high school I used to have sex in front of everybody at parties, so I am not shy really. Everyone back in Michigan is just super mellow and religious and stuff. I guess that I'm just the black sheep. The horny one.

KARMEN: I think the guys in porn are more gentle than guys in real life. I guess it's because certain companies will be like, *No, you can't slap her* and stuff like that, but in my personal life I'm just like, *Do it! Don't be a pussy!* I've had great experiences in porn though too. Like I've never been a dom in my personal life and it's fun to do that and stuff. I'm down to do anything I guess. ...If I have a really good connection with a guy and we can go freely through a scene on camera, it's pretty easy for me to cum. But if there's a lot of cutting every couple of minutes, it's just probably not going to happen. ...Being choked is my Number One. When I'm choked I can get it! Or being bit on my neck. The neck thing or being choked, I don't know why. With myself, it's my Hi-tachi and then I'll go and watch some porn. I have a bunch of DVDs, a bunch of gangbang stuff. I don't know why, I just love it, but I can get off to pretty much anything. ...My pussy stays exactly the same. It's like a rubber band. It just kind of snaps back, I have a really tight pussy, and sometimes taking guys on sets hurts once in a while. I don't know why, it just always stays small. I can handle it, I like it but afterwards it just goes back to normal. I just have to work up to it and be really turned on and then I can shove stuff in there. It can expand and go back. ...My whole family is really conservative, and they think that everything I do is crazy, but to me it's all normal. My dad was the first one in my family that found out I do porn. The way he found out was through being subscribed to a website that I popped up on. After that he unsubscribed! Next my sisters found out. One is in college and the other is in high school, and all their classmates would rehearse my school-girl porn role lines in front of them in class and make fun of them. So for a while neither one of them would talk to me. But they finally got over it and were like, *If you're happy and healthy that's what matters.* ...I've been doing this for about a year and four months. I think I'm going to start doing anal soon. Once I break my anal thing I'm probably just going to go crazy. ...I really enjoy doing hair and make-up design. I started studying both back in Michigan, and out here I'll eventually be graduating from a cosmetology school. But that won't be for a while. But obviously if I'm in school, then I wouldn't have the time to shoot. So after a couple more years pass, that's when it'll be time to go back to school. Then eventually I'll open my own salon. ...Yeah, I like to party. Vodka. Vodka and Red Bulls all day. I actually never really smoked much until I moved to California like everyone does. For some reason I don't like it too much. I only like it when I'm trying to go to sleep. I don't know if the California stuff is just too strong for me. I think that if I smoked it on set I would just be a really boring performer. I'm more of a drinker than a smoker. Back in Michigan what we would do is just put a keg of beer in the back of a truck and go to the bonfire and that was our party.

They hit the floor for ultra-spread missionary and cowgirl. "Hold her feet together!" yells Powers. "Wow, that's fucking hot!"

Driller informs the room that this is a good position and that he's about to cum.

"Roll her into a baby pose with a stretched out doggie thing and we'll come back to that," Powers says.

They fuck in flat doggie and then Driller stands up for the blow-to-pop.

"Let's see if you can cum this time," Powers barks. "Blast her face!"

It doesn't take long to activate a load that's been waiting patiently to show up and after Karmen is facialized, it's back to Zen world.

"Say NAMASTE!" Powers directs. "And then let her go into relaxation mode!"

Done! Okay, so this is going to be the greatest yoga porn movie ever produced ever. In the end of course, this type of porno is all about HELPING PEOPLE. Guaranteed.

Karmen Karma is an erotic party animal of great depth and scope. Lucky for the world, by moving to L.A. and taking it to the next level, her spectacle will not be squandered on just grinchd out Yoopers, but will beam triumphantly through the universe via the magnanimous cultural conduit of porn. You'll end up needing more Karmen Karma. It's just a matter of getting acquainted.

"I've been horny since I've been born I guess, so I'm pretty much meant for it," she says about the porn life. "Everyone has sex, I just do it when the camera's on!"

This is it. For realz. Karmen Karma's got what you want. 🐱

**BELE
NOIRE**

While it's true that every office has its slut, not every office slut is as sexy as Belle Noire. So often the gals willing to dole out BJ's in the break room are dumpy old hags desperate for one last fling before the change comes and sears away what remains of their sex drive. But not our Belle, no sir. She's as overripe as a cherry in July and game to suck dry the stones of any dude willing to stick his stem into her hot, eager mouth. She'll even do a sexy naked dance first to make sure her man of the moment is swollen to his fullest face fucking potential before bestowing her sloppy oral gifts. And the very best thing about Belle? She doesn't give head to try and get ahead, meaning she's sucking and swallowing for the sheer lip-smacking pleasure of it all, not to get some pathetic promotion. Blowjob well done! 🐾

DIRECTOR
ERIC JOHN

SLUT 'N' PUPPET
MIA AUSTIN, ERIC JOHN

PIXXX & ARTICLE BY JEFF HUBRIS

Having sex live on camworld USA requires an ever changing delivery of fuck product that will keep them all coming back for more, *every day*. Porn Svengali Eric John has made some modifications to his show format, relieving the burden of two shows per girl pooking session.

"It's one long 90-minute show now," he explains. "If you're with the right people it's really better. You can really like let the positions breathe. The footage is unquestionably better because you just GO. It took me a few shows to get into it but now it's awesome."

By letting the positions "breathe" he's talking about having the luxury to actually increase your penetrational time per position, unlike out in real world America where the burdens of getting junior to soccer practice and/or hooking up with the meth dealer are unrelenting.

Mia Austin has been here a few times already and she doesn't mind coming back for more because 1. She wants to be here and 2. There is a nice, cuddly story about their first meeting.

"I was having an incredible sex scene with Luna Star for the movie *American Hustle XXX* directed by Mr. Will Ryder," he recalls. "As I was fucking Luna I could not help but notice that an incredibly hot chick was watching from right off set and it caused me to make future plans. Months before that she had responded to Twitter about some other chick I was tweeting about and I attempted to flirt with her then and it led to nothing. After the Luna Star sex fest things progressed very nicely."

Mia Austin has been listening from the wings while climbing into a white bra and panties negligee outfit.

"My side of the story is that Will told me to go on set because he wanted me to see how it was when they were filming and whatnot," she says. "It just happened to be Eric and Luna and it was nice, they really fucked well, then like two days later my agent was like, *Um, you have a job from Eric John* and I'm like, *Really? Already?*" This is an illustration of how the pornoworld dating process differs from the rest of society in that the prospective female is allowed the opportunity to evaluate the fucking style and equipment of her prospective penetrator before granting vaginal access. The interested penetrator puts in the order and—voilà!—new pussy appears! Yes, it's that easy!

After 15 minutes of "free time" to get viewers on the hook, Eric grabs a camera and POVs a BJ from the official Erotique Productions sexual activity bed. This is where the magic always happens, day after day, week after week. He then makes an insert in open to the camera missionary. Because there's plenty of time to let the positions BREATHE, we are privileged to an example of EJ's high heel fetish as he has Mia Austin work over his unit with her black stiletto platforms.

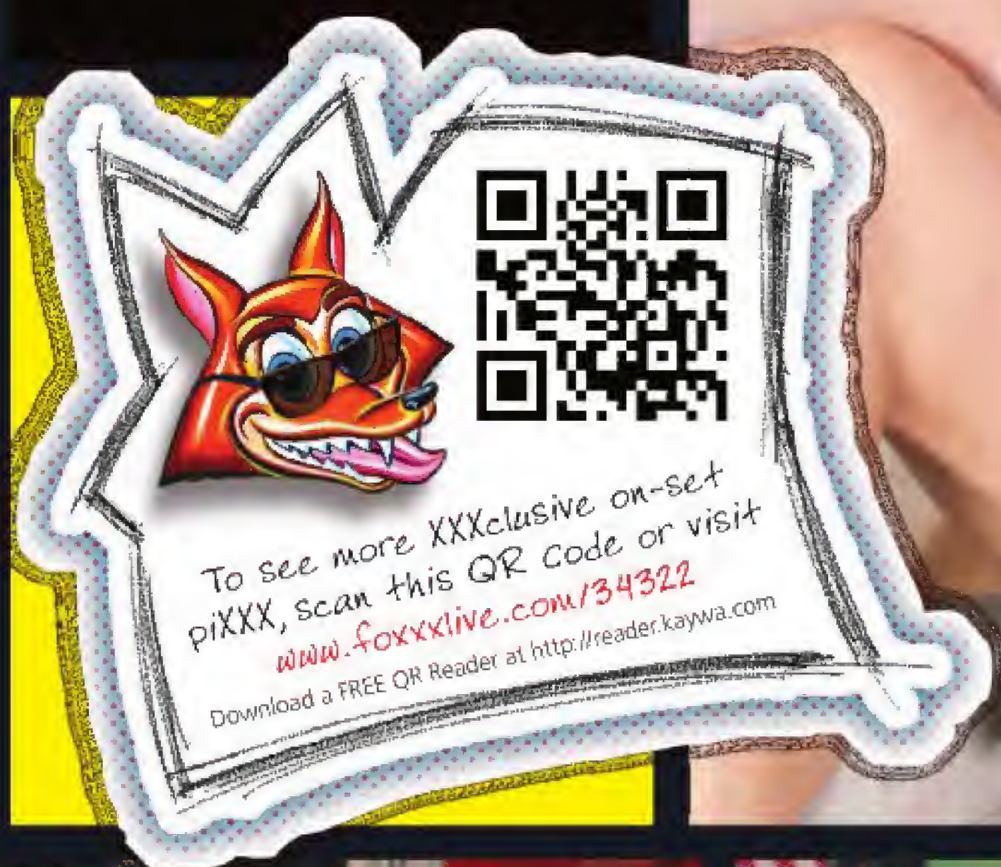

MIA AUSTIN: I'm black and Mexican. I once played a Polynesian hooker though for another movie. I asked them if I was supposed to be a Hawaiian girl and they said, *No, you're a Polynesian whore.* ...I was born in Texas, but raised in Las Vegas, and I'm 25 years old. I'd been working there in retail for Louis Vuitton, but eventually I started to need a something new. So I resigned and moved to L.A. to find that fresh start, and I'm really glad I did. And I started doing porn just about four months ago. I've been really happy with myself overall. Now I am my own employer. I really enjoy the flexible scheduling, having a lot more time for myself and I don't have to answer to anyone but myself anymore. So I think that getting into porn has been one of the best things that I have ever decided to do. ...My family knows what I do now. They found out in a terrible way from my stepsister. They're cool about it. They see that I'm okay and that I'm the best that I've ever been.

MIA: I have always been a very sexual person. I really enjoyed looking through my daddy's stash of porn magazines and his 70s VHS porn tapes as well. And a lot of stuff happened during many, many sleepovers with my girlfriends back then too. All through my younger years I had sexual encounters with every one of my close friends. I starting dating boys during middle school but didn't pop my cherry until right after graduation. And from then on, I started fucking around a lot. I think I was called promiscuous once, but I really wasn't that crazy back in high school which sucks, because now I wish I had been more on the edge, but I just wasn't as rebellious as I should have been. After I moved out on my own though, things really started happening...

MIA: I'm very spontaneous, so being in the moment and going with whatever is happening is what I love to do sexually as well. I especially enjoy very passionate sex. I can cum a lot of different ways, but I cum the best doing cowgirl, that clit stimulation really gets me off! Even when I'm masturbating I focus mostly on my clit. Sometimes I'll have a vibrator or have a little dildo, but I usually like using my hands the most. Even though the Hitachi Wand is amazing, if I just want a little cum time, my fingers are enough. ...I haven't done any anal work yet. I tried doing it a few times in my personal life, but something just wasn't clicking. I think that I just haven't met the right person to ease me into it yet. ...When it comes to eating pussy, honestly it all comes down to the person, not their gender. I would guess that most people would say that girls would be better at it because that's what they are familiar with but actually what matters the most is how much care and attention you have for pussy. If you take the time to experiment with different things, like licking it on the side and really pay attention to which things you're doing that she really likes, then you're going to be great at going down!

As each position *breathes*, there are long interludes of cowgirl and reverse cowgirl, then EJ calls for a water break. Mia has been banging her ass off and moaning for a decent part of the last 20 minutes with nary a complaint. There's a short discussion regarding porn girl fake orgasm histrionics (an all too common charade that Mia Austin maintains she does not practice) and that John does not support.

"Do you want my penis back inside you yet?" he asks politely, as if offering a refill of a cup of coffee.

"Yes, please!" Mia answers immediately.

"Alright," he says. "Then let's set up to do some spoon before this messy part."

There's a leisurely session of open to the camera spoon where Mia seems to fire off another orgasm or two and then Eric John blows a load on her face and upper torso. The timing is a perfect sign off for the 90-minute time fulfillment, in fact the feeling is that it all could have gone on longer if necessary.

"There's a bunch of male talent who I will save my opinion of who basically think that the way to do a scene is to bang the crap out of the person until it looks violent," EJ opines. "This is not really the kind of porno that I'm into. I'm into the kind where the girl has orgasms much like she did where she trembles for a few minutes while someone is trying to take a picture and all he gets is a blurry picture because she's trembling too much! The point is to make the girl cum!"

Mia Austin parades around, load still dripping down her face, purposely delaying the *de rigueur*, hasty wipe down of vagrant man gravy.

"She leaves the cum on," Eric explains. "She is one of those people that likes cum!"

Mia has multiple porn set orgasms and wears loads proudly here in opposite world, where girl power porno is a way of life. 🐱
